PTM-D100 NEWSTAR PAYMENT TERMINAL DESK MOUNT

The NewStar payment terminal desk mount, model PTM-D100 is a universal tilt- and swivel desk mount for payment terminals.

The NewStar payment terminal desk mount, model PTM-D100 is a universal tilt- and swivel desk mount for payment terminals. This mount is a great choice for space saving placement on desks using a desk grommet. The use of this mount is most important when full flexibility at cashier desks is needed. Rotate from the customer side around to cashier side.

NewStars' unique tilt (70°) and swivel (210°) technology allows the mount to change to any viewing angle to fully benefit from the capabilities of the payment terminal. The mount is easily manually height adjustable from 17 to 25 centimetres. A unique cable management conceals and routes cables from mount to terminal. Hide your cables to keep the workplace nice and tidy.

NewStar universal mount, PTM-D100 two pivot points and is suitable for most terminals available in the market. The universal plate includes adjustable brackets to adapt the plate to the terminal for best fit. The weight capacity of this product is 10 kilo each terminal.

All installation material is included with the product.
